

A Decade IN REVIEW

10 GLORIOUS YEARS OF GROWTH

WHAT A WONDERFUL WORLD

Welcome to 2020

MY TOP NINE ON INSTA @JNICHOLESMITH

At the end of each year I LOVE taking time to reflect on the ups and downs of the past 12 months... but this year we had the tremendous opportunity to reflect on an ENTIRE DECADE of growth - what a gift! We just don't do this often enough, do we?? In episode 44 of the Magic Maker podcast I shared some highlights and lessons from MY decade-in-review, now it's YOUR TURN to get this down on paper so that you can make choices about WHO YOU WANT TO BE in the next ten years and beyond. I can't wait to hear what comes up for you!

xx - Nic

Helpful Tips: A Decade in Review

Whew ten years is a long time!

But it really went by in a blink, didn't it? As you review the past decade you may find it helpful to have the following things nearby to prompt your memories;

- **Your past calendars, planners or journals** (wherever you would have recorded what you were up to)
- **Your phone** (photos are a great way to stimulate your memories)
- **Highlighter(s) or pens** (call attention to the BIG stuff in each year so it's easy to summarize at the end)

Remember this exercise is not about perfection - it's about taking the time to reflect - so you don't need to remember or record everything - but do take the time to congratulate yourself for all the growth!

MY NAME IS J. NICHOLE SMITH

But you can call me Nic. I am a whyfinder: I help entrepreneurs find their big why and apply it, to create freedom and fulfilment by building brands (instead of just businesses). My expertise comes from a lifetime of building my own brands, a Masters in Marketing with distinction from one of London's top business schools, and over 15 years helping solopreneurs SME's and billion dollar companies grow their impact and their revenue. **I believe that time is our greatest resource and we shouldn't waste it doing shit that doesn't light us up,** and since we all need money to live, I aim to help as many people as possible create alignment between what they love, and how they fund their freedom lifestyle.
